INSTALLATION WARRANTY LAMINATE FLOORS

Atlanta Flooring Design Centers (A.F.D.C.) warrants all laminate floor installation labor for one year from the date of installation. Our labor is warranted for one year as long as the original purchaser of the laminate floor occupies the building. This warranty applies to the installation of a first quality laminate floor purchased from A.F.D.C. and installed by A.F.D.C. over an approved subfloor.

All product structural and finish warranties are the responsibility of the manufacturer. Any installation failure caused by environmental or structural conditions of the building is the responsibility of the purchaser. It is the responsibility of the purchaser to maintain the laminate floor by following the particular manufacturer's maintenance guidelines. A.F.D.C. endorses each particular manufacturer's disclaimers and exclusions, and these become a part of our installation labor warranty.

The sole remedy provided here is the labor only for repair of deficient installation. There are no implied warranties and any damages caused by mold or mildew are environmental in nature and are specifically excluded. Consequential or incidental damages resulting from installation services are not covered by this written warranty.
